

IT'S ALL PERSPECTIVE

STAYING INVESTED CAN HAVE ITS REWARDS

Investing for the Long-Term May Ease the Uncertainty of Short-Term Volatility

When the Short-Term View Looks Dismal . . .

During the recession beginning in 2007, the extreme dips in the market made it hard for investors to see beyond the volatility. In such difficult times, it's not easy to look past the current state of the market and focus on the long term.

Daily closing levels for the Dow Jones Industrial Average from 12/3/07 - 6/30/09

. . . Take a Longer-Term View

But history has shown that many investors who have taken the long view and stayed invested have been rewarded in the end. If you look at several past recessions, they look like bumps in the road along the path of long-term growth.
